The Lots which are contained in Regency Townhomes 1st Addition, Regency Townhomes 2nd Addition, Regency Townhomes 3rd Addition, Regency Townhomes 4th Addition and Regency Townhomes II will not be subject to the provisions of paragraph 3 of this Amendment to Declarations and Supplementary Declarations for the reason that townhome lots are subject to separate declarations whereby Regency, Inc. or "United" established separate building restrictions and covenants for those townhome lots.

3. **COVENANTS:** The involved property is and will be through December 31, 2028, subject to all and each of the following conditions and other terms, hereafter called "covenants":

- A. Except for such Lot or Lots or part thereof as may from time to time be occupied or used for educational, religious, or other non-profit public purposes to the extent permitted by applicable zoning regulations, no Lot will be occupied or used for other than single-family residential purposes; and no Lot will be occupied or used for such residential purposes at a density greater than one single-family residence for each Lot.
- B. The structure or associated structures comprising a single-family residence will consist of a detached dwelling designed to accommodate a single person or one family group of not more than two and one-half stories in height. A family group shall include a nanny or caretaker for children, elderly or disabled family members. Additional domestic or health care professionals shall be entitled to live with the family group as the same may be approved by action of the Board of Directors. Each residence shall maintain a minimum of a two car enclosed private garage.
- C. Except as set forth in subparagraph C(4) hereafter, no single-family residence will be altered, built, constructed, or otherwise maintained on any Lot without an express written Approval executed by RHA through its Architectural Control Committee, hereinafter called "Committee," as provided for in this Declaration. This is with respect to general appearance, exterior color or colors, harmony of external design and location in relation to surroundings and topography and other relevant architectural factors. These factors include location within Lot boundary lines of not less than fifteen feet of side yard width or any lesser width approved by RHA. Other relevant factors are the quality of construction, size, and suitability for residential

purposes of such single-family residence.

1. **Approval Procedure:** No residence, building, driveway, patio, patio enclosure, dog house, pool house, solar heating or cooling device, exterior air conditioning equipment, antenna, ditch, fence, pool, tennis court, wall, or other external improvement or substantial landscaping above or below the ground (herein all referred to as any "Improvement") in any location within public view will be altered, built, constructed, erected, installed, planted, or otherwise maintained or undertaken on any Lot nor shall any grading or excavation for any Improvement be commenced, except for Improvements which have been approved by RHA as follows:
 - a. **Submission of Plans:** An owner desiring to erect or undertake an Improvement shall deliver two sets of construction plans, landscaping plans and plot plans to the Committee of RHA (herein collectively referred to as the "plans"). Such plans shall include a description of type, quality, color and use of materials proposed for the exterior of such Improvement. Concurrent with submission of the plans, Owner shall notify RHA of the Owner's mailing address. Comments and action of the Committee will be identically marked on both copies of said submissions. One copy will be returned to applicant and one copy retained as part of the permanent records of the Committee.
 - b. **Repair or Replacement:** An owner desiring to repair a previous improvement may do so without submitting plans to the committee so long as the repair is completed with materials of like-kind and quality and which otherwise meet the building provisions of this Amendment to Declarations and Supplementary Declarations. However, to avoid confusion, RHA recommends submission of all plans, even those of like kind.
 - c. **Factors Considered by the Committee:** RHA shall review such plans in relation to the type and exterior of improvements constructed, or approved for construction on neighboring Lots and in the surrounding area, and any general scheme or plans formulated by RHA. In this regard, RHA intends that the Lots shall be a developed residential community with homes constructed of high quality materials. The decision to approve or refuse approval of a proposed Improvement shall be exercised by RHA to promote development of the Lots and to protect the values, character and residential quality of all Lots. If RHA determines that the proposed Improvement will not

protect and enhance the integrity and character of all the Lots and neighboring Lots as a quality residential community, RHA may refuse approval of the proposed Improvement.

- d. **Time to approve:** Written notice of any approval/disapproval of a proposed improvement shall be mailed to the owner at the address specified by the owner upon submission of the plans. Such notice or a request for additional time to review the plans shall be mailed within (30) days after the date of submission of the plans.
 - e. **Liability:** No Lot owner, or combination of Lot owners, or other person or persons shall have any right to any action by RHA, or to control, direct or influence the acts of the RHA with respect to any proposed Improvement. No responsibility, liability or obligation shall be assumed by or imposed upon RHA by virtue of the authority granted to RHA in this Section, or as a result of any act or failure to act by RHA with respect to any proposed Improvement.
2. **Timeliness:** After commencement thereof all construction on any Lot will be as diligently prosecuted to completion as soon as practicable, and no approved or permitted construction will be maintained on any Lot in uncompleted or unfinished condition for more than twelve (12) months.
 3. **Specific building requirements:** All improvements or construction are subject to the building requirements contained in this Declaration.

 - b. **Driveways and Sidewalks:** All driveways, including the approaches to the structure and sidewalks surrounding the structure must be constructed of concrete, brick, paving stone, or laid stone. If repair or replacement become necessary, the repair or replacement shall also be of concrete, brick, paving stone, or laid stone. The use of asphalt overlay on driveways, approaches and sidewalks is prohibited. No driveway will be constructed or maintained on any Lot connected to or with an adjoining public street other than through its curb cut unless approved by the Committee.

fired brick, or other material approved in writing by RHA.

No antennas used to receive distant over-the-air television signals, or antennas used for AM/FM radio, amateur (ham) radio, citizen's band (CB) radio or Digital Audio Radio Services (DAR's) will be permitted. No satellite dish or disc over one meter (39.37") will be permitted.

No building may be moved in from the outside of Regency. No detached garages or carports shall be constructed.
- g. **Restricted Structures:** Any non-prohibited structure, such as a gazebo, play house, swing set, playground equipment will be allowed only after securing approval of the Committee. It must be installed in a location out of public view and/or be more than twenty feet to the rear of the front line of a single-family residence. The sole exception to this restriction is that an owner may install one freestanding basketball backboard and standard as long as it is not attached to any portion of the residential structure.
- h. **Awnings:** Awnings or sun screens may be installed only with consent of the Committee.

- i. **General Appearance Restrictions:** No exterior burner, incinerator, or other receptacle for garbage, trash, or other refuse will be maintained on any Lot. - j. **Lawns, Trees and Gardens:** No grass, weeds, or other vegetation will be grown or otherwise permitted to commence or continue and no dangerous, diseased, or otherwise objectionable shrubs or trees will be maintained on any Lot so as to constitute an actual or potential public nuisance, create a hazard of undesirable contagion or proliferation, or detract from a neat and trim appearance. No vegetable gardens shall be permitted except in the rear of the home out of view from the street. Each Lot shall maintain trees spaced 15-30 feet apart where practicable within the area located between the sidewalk and the street, such trees to be no less than two inches in diameter when planted and to be of ash, oak, linden or hard maple varieties, chosen to blend with other trees in the same block. On Lots with conflicting trees planted prior to passage of this covenant on March 11, 2002, Homeowners shall be required to comply as established trees are replaced. All trees shall be trimmed to not less than 8 feet above a sidewalk, and 12 feet above a street or as directed by the City of Omaha.
- k. **Exterior lighting:** Exterior lighting installed on any Lot shall either be indirect or of such a controlled focus and intensity as not to disturb the residents of adjacent Lots.
- l. **Fences:** No fence shall be permitted to extend beyond the front line of a main residential structure. Unless other materials are specifically approved in writing by the Committee of RHA, fences shall only be composed of wood, wrought iron, brick or well-maintained vinyl coated black chain link fencing. No fence shall be of any other chain link or wire types. No fences or walls shall exceed a height of six (6) feet. Fences non-conforming as of the effective date of these covenants must conform when replaced or when repair of more than

twenty-five percent (25%) of the fence is made.

The permitted signs may remain on the affected Lot for the following time periods and must be removed thereafter:

- (1) "For Sale" Signs: During the period of the sale; Directional signs permitted only during the period of an open house.
- (2) Garage/Estate Sales: Only on the day of the sale from 8:00 a.m. to 6:00 p.m., the sign must not be visible at night.

- q. **Vehicle restrictions:** No boat, camper, trailer, or similar chattel will be maintained on any Lot, other than in an enclosed structure, for more than seven days within any calendar year; and no automobile, motor cycle, truck, or other vehicle will be

repaired, torn down, or stored on any Lot, other than in an enclosed structure. No motor vehicle may be parked or stored outside on any residential Lot except vehicles driven on a regular basis (at least twice weekly) by the occupants of the dwelling. Garage doors shall be kept closed. Garage entrances must not face the street wherever the terrain permits an alternate design. - B. Every grantee, assign thereof, or successor thereto will be entitled at any time or from time to time to institute any equitable or legal proceeding appropriate, convenient, or necessary for enforcement of any easement granted to such grantee.
