DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS FOR RIVERSIDE ESTATES SINGLE FAMILY LOTS

SEP 18 PM 2:33 CHARLOTTE L. PETERSEN WASHINGTON COUNTY CLERK BLAIR, NEBR.

THIS DECLARATION, made on the date hereinafter set forth by PJR INVESTMENTS, LLC, hereinafter referred to as the "Declarant",

WITNESSETH:

WHEREAS, the Declarant is the owner of the following described real property:

Riverside Estates, a subdivision of 5 Lots, Sec30, T19N, R12E of 6th PM Washington County, Nebraska.

WHEREAS, the Declarant will convey said Lots, subject to certain protective covenants, conditions, restrictions, reservations, liens, and charges as hereinafter set forth,

NOW, THEREFORE, the Declarant hereby declares that all of the Lots described in Article I.C. below shall be held, sold, and conveyed subject to the following easements, restrictions, covenants, and conditions, all of which are for the purpose of enhancing and protecting the value, desirability and attractiveness of said Lots in the Properties. These easements, covenants, restrictions, and conditions, shall run with said real property, and shall be binding upon all parties having or acquiring any right, title or interest in the above described Lots, or any part thereof, and they shall inure to the benefit of each Owner thereof and the Owners of all other Lots in the Properties.

ARTICLE I DEFINITIONS

- A. "Owner" shall mean and refer to the record owner, whether one or more persons or entities, of a fee simple title to any lot which is a part of the Properties, including contract sellers, but excluding those having such interest merely as security for the performance of an obligation.
B. "Properties" shall mean and refer to all of Lots 1 through 5, inclusive, in Riverside Estates, a subdivision as surveyed, platted and recorded in Washington County, Nebraska.
C. "Lot" shall mean and refer to each of Lots 1 through 5, inclusive, in Riverside Estates, a subdivision as surveyed, platted and recorded in Washington County, Nebraska.
D. "Declarant" shall mean and refer to PJR Investments, LLC, and its successors and assigns.
E. "Architectural Control Committee" shall mean the individual or committee appointed by the Declarant, and its successors and assigns.

ARTICLE II ARCHITECTURAL CONTROL

- A. No dwelling, fence, wall, pathway, driveway, patio, patio cover or enclosure, deck, rock garden, garden, tree house, swimming pool, television or radio antenna, satellite dishes over 18 inches in diameter, flag pole, solar collecting panels or equipment, tool sheds, or other external improvements, above or below the surface of the ground shall be built, erected, placed, planted, altered, or otherwise maintained or permitted to remain on any Lot along with no grading, excavation, or tree removal shall be commenced without express written prior approval of the Declarant through its Architectural Control Committee, or its permission by implied approval procured in the manner set forth below.
B. The Declarant, through its Architectural Control Committee, shall consider general appearance, exterior color or colors, architectural character, harmony of external design and location in relation to surroundings, topography, location within the Lot boundary lines, quality of construction, size and suitability for residential purposes as part of its review procedure. Only exterior colors of certain earth tone hues, or other unobtrusive colors as determined by the

OTU

Architectural Control Committee in its sole and absolute discretion will be acceptable. The Architectural Control Committee specifically reserves the right to deny permission to construct or place any of the above-mentioned improvements which it determines will not conform to the general character, plan and outline for the development of the Properties.

C. Documents submitted for approval shall be clear, concise, complete, consistent and legible. All drawings shall be to scale. Samples of materials to be included in the improvement may be required of the applicant at the discretion of the Architectural Control Committee. If submittals for the approval are made in duplicate, the comments and actions of the Architectural Control Committee will be identically marked on both copies of said submittals. One copy will be returned to the applicant, and one copy will be retained as part of the permanent records of the Committee. If only one set of documents is submitted, it will be retained by the Committee and the comments and action of the Architectural Control Committee will be sent by letter to the applicant. Each applicant shall submit to the Architectural Control Committee the following documents, materials and/or designs.

1. Site plan indicating specific improvement and indicating Lot number, street address, grading, surface drainage and sidewalks, if any.
2. Complete construction plans, including but not limited to, basement and upper floor plans, floor areas of each level, wall sections, stair and fireplace sections and exterior elevations clearly indicating flues or chimneys, type and extent of siding, roofing, other faces and/or veneer materials.

D. The approval or disapproval of the Architectural Control Committee as required in these Covenants shall be in writing. Failure of the Architectural Control Committee to give either written approval or disapproval of submitted plans within thirty (30) days after receipt of all of the documents required above, by mailing such written approval or disapproval to the last known address of the applicant as shown on the submitted plans, shall operate as a waiver of the requirements for approval by the Architectural Control Committee for the submitted plans.

#### ARTICLE III

#### RESTRICTIONS FOR RESIDENTIAL DWELLINGS

A. Residential Lots. Lots 1 through 5, inclusive, in Riverside Estates shall be subject to the following restrictions.

1. The Lot shall be used only for residential purposes and no Lot shall contain more than one (1) dwelling unit.
2. No building shall be created altered, placed or permitted to remain on any Lot other than the dwelling unit referred to above, and said dwelling unit shall conform to the following requirements.

Lots 1 through 5, inclusive, shall be subject to the following minimum requirements:

- a. Each one story dwelling unit shall contain no less than 1,600 square feet of Living Area above the basement level and exclusive of garage area.
- b. Each one and one-half or two story dwelling unit shall contain no less than 2,200 square feet of total Living Area above the basement level with a minimum of 1,200 square feet on the main floor, exclusive of garage area.
- c. Other dwelling unit styles not described in A.2.a. and A.2.b. above will be permitted only if approved by the Architectural Control Committee and shall not be approved unless they are compatible with other homes to be built in Riverside Estates in the opinion of the Architectural Control Committee in its sole and absolute discretion.

- d. All buildings on all Lots shall comply with the set back requirements of the Zoning Code of Washington County, Nebraska as the same may be amended from time to time and the set back requirement of Riverside Estates.

B. General Restrictions. All dwelling units described in A above shall comply with the following restrictions.

1. All dwelling units shall have attached, enclosed, side-by-side, two (2) car garages minimum which must contain area of not less than four hundred-fifty (450) square feet and shall be at approximately the same level as the main floor of the dwelling. Other or additional garages may be permitted at the discretion of the Architectural Control Committee.
2. For the purposes of these restrictions, two-story height shall, when a basement is exposed above finish grade, be measured from the basement ceiling on the exposed side(s) to the eave of the structure on the same side(s). Area means finished habitable space, measured to the exterior of the enclosing walls, and does not include porches, stoops, breezeways, courtyards, patios, decks, basements, garages or carports. The maximum height of the dwelling shall be two (2) stories. A basement is not considered a story even if it is one hundred percent (100%) above grade on one or more sides, and essentially below grade on the other sides.
3. Exposed portions of the foundation on the front and rear of each dwelling are to be covered with clay-fired brick or stone. Exposed portions of the foundation on the sides of every dwelling shall be covered with clay-fired brick, stone, siding or shall be painted.
4. In the event that a fireplace is constructed as a part of a dwelling on any Lot and said fireplace and/or the enclosure for the fireplace flue, is constructed in such a manner so as to protrude beyond the outer perimeter of the front and rear of the dwelling, the enclosure of the fireplace and flue shall be constructed of, or finished with, clay-fire brick or stone. If the fireplace and/or the enclosure for the fireplace flue is constructed in such a manner so as to protrude beyond the outer perimeter of the side of the dwelling, the enclosure of the fireplace and flue may be constructed of, or finished with, the same material as is the dwelling at the point from which the fireplace and/or the flue protrudes. If more than one fireplace is planned, all shall comply with the above requirements. The part of the pre-fabricated metal furnace flues that protrude from the roof of a dwelling must be painted and no furnace flue may protrude more than five (5) feet from the roof of the dwelling, as measured from the top cap of the flue to the point from which the flue emerges from the roof. All furnace flues must be located on the rear side of the roof ridge.
5. Fences on the side and rear yards shall be constructed only of wood, decorative iron, brick, or stone and shall not exceed six (6) feet. Fences built forward of the front wall of the dwelling will be decorative in nature, no more than forty-two (42) inches high, and constructed of brick, wrought iron, stone, or wood and will be fifty per cent (50%) open. Wire or chain-link fences shall not be permitted. Temporary or permanent barbed wire, electrified, and/or snow fences are strictly prohibited.
6. No structure of a temporary character, trailer, basement, tent, shack, barn, or other out building shall be erected on said Lot or used as a residence, temporarily or permanently. No prefabricated, or factory built house, or manufactured housing, trailer homes or mobile homes shall be moved onto any of said Lots. No full or partial subterranean dwellings shall be constructed or erected on any Lot. No existing dwelling shall be moved from outside of the Properties onto any of said Lots. This prohibition specifically includes mobile homes, manufactured or prefabricated homes, and modular homes.
7. Roofs. No flat or mansard roof shall be permitted on any dwelling. All dwellings shall have a roof composition of not less than 235 lb. shingles of asphalt, fiberglass, woodshakes or cedar wood shingles.
8. The Declarant has created a water drainage plan by grading the Properties and installing improvements and easements for storm drainage in accordance with accepted engineering principles. No building shall be placed, nor any Lot graded, to interfere with such water drainage plan nor cause damage to the building or neighboring building or lots.
9. Detached accessory or utility buildings are permitted so long as they are kept in good repair and are no larger than the square footage of the main dwelling unit excluding the garages and porches, matching the roof design, color, and building material of the main residence.

10. No incinerator, or trash burner, shall be permitted on any Lot. No garbage, trash can or container shall be permitted to remain outside of any dwelling unless completely screened from view from every street and from all other lots in the subdivision. No garden, lawn or maintenance equipment of any kind whatsoever shall be stored or permitted to remain outside of any dwelling except while in actual use. No clothesline shall be permitted outside of any dwelling at any time. Any exterior air conditioning condensing units or heat pump units shall be placed in the rear yard or side of the dwelling and in no case closer than ten (10) feet to the neighboring property line.
11. No automobile, boat, camping trailer, van-type campers, auto-drawn trailer of any kind, mobile home, motorcycle, snowmobile, or other self-propelled vehicles shall be stored or maintained outside of the garage or accessory building. For purposes of the preceding provision, "stored or maintained outside of the garage" shall mean, parking the vehicle or trailer on the driveway, or any part of the Lot, outside of the garage for four (4) or more consecutive days. All repair or maintenance work on automobiles, boats, camping trailers, van-type campers, auto-drawn trailers of any kind, mobile homes, motorcycles, snowmobiles or other self-propelled vehicles done on the premises must be done in the garage or accessory building. Automobiles and other self-propelled vehicles parked out-of-doors within the premises above-described, or upon the streets thereof, must be in operating condition.
12. All Lots shall be kept free of rubbish, debris, merchandise and building material; however, building materials may be placed on Lots when construction is started on the main residential structure intended for such Lot. In addition, vacant Lots where capital improvements have not yet been installed shall not be used for dumping of earth or any other waste materials, and shall be maintained level and smooth enough for machine mowing. No vegetation on vacant Lots, where capital improvements have not yet been installed, shall be allowed to reach more than a maximum height of twelve (12) inches.
13. Except for the purpose of controlling erosion on vacant Lots, no field crops shall be grown upon any Lot at any time.
14. No noxious or offensive activity shall be carried on upon any Lot, nor shall anything be done thereon which may be, or may become, an annoyance or nuisance to the neighborhood, including, but not limited to, odors, dust, glare, sound, lighting, smoke, vibration and radiation.
15. A dwelling on which construction has begun must be completed within one (1) year from the date the foundation was dug for said dwelling or from the date the building permit was issued for said dwelling, whichever is earlier.
16. Small vegetable gardens and rock gardens shall be permitted.
17. No residential dwelling shall be occupied by any person as a dwelling for such person until the construction of such dwelling has been completed, except for minor finish details.
18. No streamers, poster, banners, balloons, exterior illumination or other rallying devices will be allowed on any Lot in the promotion or sale of any Lot, dwelling or property unless approved by the Architectural Control Committee in writing. No advertising sign or posters of any kind shall be erected or placed on any of said Lots, except that residential "For Sale" signs, not exceeding six (6) square feet in size, shall be permitted and, provided further, that such restriction as to sign size shall not apply to any sign erected by Declarant, or his agents, in his development of Riverside Estates or signs approved by the Architectural Control Committee in writing.
19. None of said Lots shall be subdivided, split or in any manner combined with any other Lot, or portion of any other Lot, without approval of the owners of all other lots.
20. The front, side, and rear yards of all Lots shall be sodded or seeded, and ten (10) trees at least four (4) of which will be not less than two (2) caliper inches in diameter, shall be planted on each lot. No trees shall be planted in the dedicated street right-of-way located between the road and the lot line. All yards shall be sodded or seeded and the trees planted within one (1) year from the date the foundation for the residence on the Lot was

completed or the date on which the building permit for said structure was issued, whichever is earlier.

21. No solar collecting panels or equipment, no wind generating power equipment shall be allowed on the Lots. No television antenna, no antenna of any kind or nature, except satellite dishes eighteen (18) inches in diameter or less, shall be allowed on the Lots unless completely screened from view from every street and from all other Lots in the Subdivision in a manner approved by the Architectural Control Committee. Satellite dishes with a diameter of eighteen (18) inches or less shall be permitted only with the approval of the Architectural Control Committee in its sole and absolute discretion.

ARTICLE IV  
EASEMENTS AND LICENSES

- A. A perpetual license and easement is hereby reserved in favor of and granted to Huntel Telephone Company, City or County franchised cable television firms, and to Omaha Public Power District, and their successors and assigns, to erect and operate, maintain, repair, and renew cables, conduits, and other instrumentalities and to extend wires for the carrying and transmission of electric current for light, heat and power and for all telephone and telegraph and message services and cable television under an eight (8) foot strip of land adjoining the front boundary lines of said Lots, and said license is being granted for the use and benefit of all present and future owners of said Lots; provided, however, that said lot line easement is granted upon the specific condition that if said utility companies fail to construct any wires or conduits along any of the said lot lines within thirty-six (36) months of the date hereof, or if any wires or conduits are constructed but hereafter removed without replacement within sixty (60) days after their removal, then this lot line easement shall automatically terminate and become void as to such unused or abandoned easementways. No permanent buildings shall be placed in perpetual easementways, but the same may be used for gardens, shrubs, landscaping and other purposes that do not then or later interfere with the aforesaid uses or right herein granted.
- B. All telephone, cable television, and electric power service lines from property line to dwelling shall be underground.

ARTICLE V  
GENERAL PROVISIONS

- A. The purchase of any lot will automatically cause the purchaser to become a member of a non-profit property owners "Association" under the laws of the State of Nebraska, formed for the purpose of providing:
1. The maintenance, repair, and improvement of the Streets and Roadways within the Subdivision.
  2. The maintenance, repair, and improvements of a water system, should a water system be installed.

The Streets and Roadways Improvements are presently dedicated to the public and have not been accepted by any governmental subdivision. The Association shall forever have the sole responsibility, and at their cost, to repair and maintain all Streets and Roadways within the Subdivision, and to hold in the public, the State of Nebraska, or any of its political subdivisions, harmless from the same.

The Association shall purchase and provide liability insurance for the Association and for its members with respect to the Streets and Roadways and water system only, any such liability insurance for the protection of the Owners of any Lots being the responsibility of each Owner.

The Association shall, on an annual basis, project the cost and expense it anticipates will be incurred to perform the duties and obligations of the Association under these covenants and under its Articles of Incorporation and Bylaws. Such projected costs shall be assessed equally against all Lots in the Subdivision. An invoice for such amount shall be sent to the owner of each lot annually, on or close to the same date each year by the person designated by
