- (2) Special assessments for capital improvements, such assessments to be established and collected as hereinafter provided
- (3) Special Assessments for Insurance on the Properties, if any.

Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment became due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively without any part of the net earnings inuring to the private benefit of its members, to promote and sustain their social welfare and otherwise provide for their health, pleasure, recreation, safety and other nonprofitable interests by acquiring, maintaining, operating, contributing to the acquisition, maintenance, or operation of, or otherwise making available for use any one or more area entrances or entry structures, swimming pools, tennis courts, and any other recreational equipment, facilities, grounds, or structures, to provide weed and other actual or potential nuisance abatement or control, security service, domestic water supply, and other community services, to provide for exterior maintenance on the homes located on the Properties, to provide architectural control and secure compliance with or enforcement of applicable covenants, easements, restrictions, and similar limitations, and to undertake such other activities appropriate, convenient, or necessary to promote or sustain any such interest.

Section 3. Regular Assessments. Before each fiscal year, the Board of Directors of the Association shall adopt and fix in reasonably itemized detail an annual Budget of the Working Fund for the then anticipated fiscal affairs and general operations of the Association for that year, and shall levy and collect monthly assessments from each lot on the properties which, considering the revenue derived from Regular Annual Assessments on unimproved lots and other sources of income, if any, shall be sufficient to fund the budget for said fiscal year. The regular assessment with respect to all improved lots shall be uniform in amount. In recognition of the fact that a substantial portion of the budget for the Working Fund for maintenance will be attributable to upkeep, maintenance, and security upon improved lots as opposed to unimproved lots, the regular assessment for each unimproved lot will be equal to the equivalent of 25% of the regular assessment due for each improved lot. The Budget and Assessments shall be approved and ratified by the Directors at the Annual Meeting prior to any other business to be undertaken at said annual meeting.

Section 4. Special Assessments for Capital Improvements and Extra-Ordinary Expenses. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto or to defray in whole or in part any extraordinary general expenses of the Association. One-twelfth (1/12) of said assessment shall be due and payable one month from the date of levy with a like sum due and payable each and every month thereafter, along with the Regular Assessment with respect to said lot, until the said assessment shall be paid in full.

Section 5. Special Assessments for Insurance. In addition to the Regular assessments and Special assessments authorized above, the Association may levy special assessments on each improved lot for the portion of insurance premium due with respect to said lot as hereinafter provided in Article IX hereof, which special assessment shall be paid each month along with the Regular Assessment with respect to said lot.

Section 6. Date of Commencement of Annual Assessments: Due Dates. The regular annual assessments provided for herein shall commence as to all unimproved Lots on the first day of the month following the conveyance of the Common Area. The Regular annual assessments provided herein as to all improved lots shall commence the first day of the month following the month during which the construction of a dwelling on said lot shall become at least 30% completed according to the plans and specifications for construction of said dwelling. As provided in the By-Laws, the first Regular annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certification signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

Section 7. Effect of Non-payment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of six (6) percent per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property in the same manner as provided by law for foreclosure of mortgages. No Owner may waive or otherwise escape liability for the assessments provided herein by non-use of the Common Area or abandonment of his Lot.

Section 8. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 9. Exempt Property. All properties dedicated to, and accepted by, a local public authority and all properties owned by a charitable or non-profit organization exempt from taxation by the laws of the State of Nebraska shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

ARTICLE V. MAINTENANCE ON DWELLINGS

Section 1. Exterior Maintenance. In addition to maintenance upon the Common Area, the Association shall provide exterior maintenance upon each Lot which is subject to assessment for exterior maintenance hereunder, including but not in limitation of the foregoing, the painting, repair, replacement, and care of roofs, gutters, downspouts, exterior building surfaces, trees, shrubs, grass, walks, driveways and private drives and private roads, and other improvements. Exterior maintenance shall not include painting, repair, replacement and care of glass surfaces, doors, garage doors, mechanical garage door openers, or any mechanical equipment such as air conditioning condensors and related appliances and mechanical equipment. In the event that the need for maintenance or repair is caused through the willful or negligent act of the Owner, his family, guests, or invitees, the cost of such maintenance or repairs shall be added to and become a part of the Regular assessment to which such Lot is subject. The Association, its employees and agents shall have the

right to go on any lot or into or upon any dwelling or any lot in the properties for the purpose of performing maintenance and is hereby granted a specific easement for such purpose.

Section 2. Exterior Lighting Maintenance. Exterior decorative lighting mounted at the entry of each townhome and patio post mounted lighting shall be maintained by the Association. Such lighting fixtures shall be considered a part of the common area and shall not be interfered with by the owner of such townhome.

ARTICLE VI.
ARCHITECTURAL CONTROL

No building, fence, wall or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, exterior color scheme, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by the Board ("Committee"). In the event said Board, or its designated Committee fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with.

ARTICLE VII.
PARTY WALLS

Section 1. General Rules of Law to Apply. Each wall built as a dividing wall between separate dwellings constructed upon the lots by Declarant or its assigns as part of the original construction of homes upon the property shall constitute a party wall to be used by the adjoining landowners as such, notwithstanding the fact that the wall so constructed, through error in construction or settling of the wall, may not be located precisely on the dividing line between the lots. To the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 2. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, to the extent the same is not covered by insurance, any Owner who has used the wall may restore it and shall have and there is hereby created an easement over the premises of the adjoining landowner for the purpose of construction of said wall by commencement of construction on his premises adjoining said wall they shall contribute to the cost of restoration thereof in the proportion in which the adjoining owners use the wall without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Within ten (10) days after the receipt of such

notice, the other party shall name a second arbitrator, and in case of failure so to do, the party who has already named an arbitrator, may have the second arbitrator selected or appointed by a judge of the Douglas County District Court, State of Nebraska, and the two arbitrators so appointed in either manner shall select and appoint a third arbitrator, and in the event the two arbitrators so appointed shall fail to appoint the third arbitrator within ten (10) days after the naming of the second arbitrator, either party may have the third arbitrator selected or appointed by one of said judges, and the three arbitrators so appointed shall then proceed to determine the matter in question, disagreement, or difference, and the decision of any two of them shall be final, conclusive and binding upon all parties. In all cases of arbitration, the parties hereto shall each pay the expense of its own Attorneys and witnesses' fees, and all other expenses of such arbitration shall be divided equally between the parties.
