THIS DECLARATION, is made by MIKE HOGAN DEVELOPMENT COMPANY, a Nebraska corporation, hereinafter referred to as the "Declarant".

PRELIMINARY STATEMENT

The Declarant is the owner of certain real property located within Sarpy County, Nebraska, which is being developed as Willow Springs and is described as follows:

Lots 199 through 377, inclusive, in Willow Springs, a subdivision, as surveyed, platted and recorded in Sarpy County, Nebraska.

Such lots are herein referred to collectively as the "Lots" and individually as each "Lot".

The Declarant desires to provide for the preservation, protection and enhancement of the values and amenities of such community and for the maintenance of the character, value, desirability, attractiveness and residential integrity of the Lots.

NOW, THEREFORE, the Declarant hereby declares that each and all of the Lots shall be held, sold and conveyed subject to the following restrictions, covenants, conditions and easements, all of which are for the purpose of enhancing and protecting the value, desirability and attractiveness of the Lots. These restrictions, covenants, conditions and easements shall run with such real estate and shall be binding upon all parties having or acquiring any right, title or interest in each Lot, or any part thereof, as is more fully described herein. The Lots, and each Lot, is and shall be subject to all and each of the following conditions and other terms:

ARTICLE I.
RESTRICTIONS AND COVENANTS

1. Each Lot shall be used exclusively for single family residential purposes and for no other purpose.
2. No building shall be created, altered, placed or permitted to remain on any Lot other than one (1) detached, single-family residential structure which shall conform to the following minimum area requirements:

<u>Design</u>	<u>Minimum Area</u>
One story ranch type house	1,100 sq. ft. of finished habitable space on the main floor

94-19980A

<u>Design</u>	<u>Minimum Area</u>
One story split entry house	1,100 sq. ft. of finished habitable space on the main floor
One and one-half story house	1,150 sq. ft. of finished habitable space on the main floor
Two story house	1,500 sq. ft. of finished habitable space above the basement level
Bi-level, tri-level or split-level house	1,100 sq. ft. of finished habitable space above grade

For purposes of this Article I, Section 2, "finished habitable space" shall mean the finished living area measured to the exterior of the enclosing walls, and does not include porches, stoops, breezeways, courtyards, patios, decks, garages or carports or basements which are seventy-five percent (75%) or more below finished grade on at least three (3) sides. Each residential structure shall have an attached garage which will accommodate a minimum of two cars, with each car stall to be a minimum size of ten (10) feet by twenty-one (21) feet.

There shall not be constructed or erected on any two adjoining lots any dwelling having the same, or substantially the same, front elevations unless authorized as hereinafter provided.

3. For a period of twenty-five (25) years after the filing of this Declaration, no residence, building, fence, wall, driveway, patio, patio enclosure, rock garden, swimming pool, tennis court, dog house, tree house, antenna, satellite and receiving dish, flag pole, solar heating or cooling device, tool shed, wind mill, wind generating equipment, or other external improvement, above or below the ground (herein all referred to as any "Improvement") shall be constructed, erected, placed or permitted to remain on any Lot, nor shall any grading or excavation for any Improvement be commenced, except for Improvements which have been approved as follows:

(a) An owner desiring to erect an Improvement shall deliver two sets of construction plans, and plot plans (herein collectively referred to as the "plans") to the Declarant. Such plans shall be to scale and shall reflect the type of structure, quality and use of exterior materials, exterior design, exterior color or colors, and location of the structure proposed for the Lot. Concurrent with submission of the plans, the Owner shall notify the Declarant of the Owner's mailing address.

(b) Declarant shall review such plans in light of the conditions and restrictions in Article I of this Declaration and in relation to the type and exterior of improvements which have been constructed, or approved for construction, on the Lots. In this regard, Declarant intends that the Lots shall be developed as a residential community with homes constructed of high quality materials. The decision to approve or refuse approval of a proposed Improvement shall be exercised by Declarant in a reasonable manner to promote conformity and harmony of the external design of the improvements constructed within the Willow Springs subdivision and to protect the value, character and residential quality of all Lots in a manner consistent with this Declaration. By way of illustration, and not of limitation, it is intended that the architecture of the residential structures constructed shall be consistent with the architecture found in The Town and Two Springs subdivisions in Sarpy County, Nebraska. Atypical improvements and home designs such as dome houses, A-frame houses and log cabins will not be approved unless the Declarant determines that construction of these improvements will not be materially inconsistent with the scheme of development contemplated by this Declaration. If Declarant determines that the external design and location of the proposed improvement does not conform with the standards or requirements of this Declaration, does not conform with the surrounding improvements and topography or will not protect and enhance the integrity and character of all the Lots and neighboring lots, if any, as a quality residential community, Declarant may refuse approval of the proposed Improvement.

(c) Written notice of any approval of a proposed Improvement shall be mailed to the owner at the address specified by the owner upon submission of the plans or shall be hand delivered. Such notice shall be mailed or delivered within thirty (30) days after the date of submission of the plans. If written notice of approval is not mailed or delivered within such period, the proposed Improvement shall be deemed refused by the Declarant.

(d) No Lot owner, or combination of Lot owners, or other person or persons shall have any right to contest any action by the Declarant, or to control, direct or influence the acts of the Declarant or Declarant with respect to any proposed Improvement. No responsibility, liability or obligation shall be assumed by or imposed upon Declarant or the Declarant by virtue of the authority granted to the Declarant in this Section, or as a result of any act or failure to act by the Declarant with respect to any proposed Improvement.

4. The exposed front foundation wall as well as any foundation wall facing a street of all main residential structures must be constructed of or faced with brick or stone or stucco or other material approved in writing by the Declarant. All exposed side and rear concrete or concrete block foundation walls not facing a street must be painted. All driveways must be constructed of concrete, brick, paving stone or laid stone. All foundations shall be constructed of concrete, concrete blocks, brick or stone. Fireplace chimneys shall be covered with brick, siding, or other material approved in writing by Declarant. The roof of all Improvements shall be covered with asphalt shingles, or other material approved in writing by Declarant.

Further, no retail business activities of any kind whatsoever shall be conducted on any Lot. Provided, however, the foregoing paragraph shall not apply to the business activities, signs and billboards or the construction and maintenance of buildings, if any, by Declarant, its agents or assigns, during the construction and sale of the Lots.

Automobiles and other self-propelled vehicles parked out of doors on the Lot, or upon the streets must be in operating condition. No grading or excavating equipment, airplanes, tractors or semitractors/trailers shall be stored, parked, kept or maintained in any yards, driveways or streets. However, this restriction shall not apply to trucks, tractors or commercial vehicles which are necessary for the construction of Improvements during the period of construction.

9. No outside trash or garbage pile, burner, receptacle or incinerator shall be erected, placed or permitted on any Lot. The sidewalk shall be placed five (5) feet back of the street curb line and shall be constructed by the owner of the Lot prior to the time of completion of the main structure and before occupancy thereof. Maintenance of said sidewalks, after construction, shall be the responsibility of the owner of the Lot, who shall at all times comply with applicable zoning requirements pertaining to the maintenance of sidewalks.

13. No swimming pool shall be permitted which extends more than one (1) foot above ground level.

14. No stable or other shelter for any animal, livestock, fowl or poultry shall be erected, altered, placed or permitted to remain on any Lot, except for one (1) dog house constructed for one (1) dog; provided always that the construction plans, specifications and locations of the proposed dog house have been first approved by the Declarant. A dog house shall only be allowed at the rear of the residence, concealed from public view. No dog runs or kennels of any kind shall be allowed in the Willow Springs subdivision. No livestock or agricultural type animal shall be allowed in the Willow Springs subdivision. No animals, livestock, fowl or poultry of any kind shall be raised, bred or kept on any Lot, except that dogs, cats or other household pets (which do not include pot-bellied pigs) shall be allowed in Willow Springs, provided that they are not kept, bred or maintained for any commercial purpose and, provided, that they are confined to the pet owner's Lot and are not allowed to run loose outside of the pet owner's Lot.

15. The Lots are a part of water drainage plan which has been created by grading the Lots and installing improvements and easements for storm drainage in accordance with accepted engineering principles. No building shall be placed, nor any Lot graded, to interfere with such water drainage plan or to cause damage to any structures or neighboring structures or Lots.

The purchaser of a Lot under a land contract or similar instrument shall be considered to be the "Owner" of the Lot for purposes of this Declaration. 5. Imposition of Dues and Assessments. The Association may fix, levy and charge the Owner of each Lot with dues and assessments (herein referred to respectively as "dues and assessments") under the following provisions of this Declaration. Except as otherwise specifically provided, the dues and assessments shall be fixed by the Board of Directors of the Association and shall be payable at the times and in the manner prescribed by the Board.

6. Abatement of Dues and Assessments. Notwithstanding any other provision of this Declaration, the Board of Directors may abate all or part of the dues or assessments due in respect of any Lot, and shall abate all dues and assessments due in respect of any Lot during the period such Lot is owned by the Declarant.

7. Lien and Personal Obligations for Dues and Assessments. The assessments and dues, together with interest thereon, costs and reasonable attorneys' fees, shall be the personal obligation of the Owner of each Lot at the time when the dues or assessments first become due and payable. The dues and assessments, together with interest thereon, costs and reasonable attorneys' fees, shall also be a charge and continuing lien upon the Lot in respect of which the dues and assessments are charged. The personal obligation for delinquent assessments shall not pass to the successor in title to the Owner at the time the dues and assessments become delinquent unless such dues and assessments are expressly assumed by the successors, but all successors shall take title subject to the lien

for such dues and assessments, and shall be bound to inquire of the Association as to the amount of any unpaid assessments or dues.

8. Purpose of Dues. The dues collected by the Association may be committed and expended to accomplish the purposes of the Association described in Section 1 of this Article, and to perform the Powers and Responsibilities of the Association described in Sections 3 and 4 of this Article.

9. Maximum Annual Dues. Unless excess dues have been authorized by the Members in accordance with Section 11, below, the aggregate dues which may become due and payable in any year shall not exceed the greater of:

- (a) Sixty and no/100 Dollars (\$60.00) per Lot.
- (b) In each calendar year beginning on January 1, 1997, one hundred fifty percent (150%) of the aggregate dues charged in the previous calendar year.

10. Assessments for Extraordinary Costs. In addition to the dues, the Board of Directors may levy an assessment or assessments for the purpose of defraying, in whole or in part, the costs of any acquisition, construction, reconstruction, repair, painting, maintenance, improvement, or replacement of any Common Facility, including fixtures and personal property related thereto, and related facilities. The aggregate assessments in each calendar year shall be limited in amount to Two Hundred and no/100 Dollars (\$200.00) per Lot.

11. Excess Dues and Assessments. With the approval of seventy-five percent (75%) of the Members of the Association, the Board of Directors may establish dues and/or assessments in excess of the maximums established in this Declaration.

12. Uniform Rate of Assessment. Assessments and dues shall be fixed at a uniform rate as to all Lots, but dues may be abated as to individual Lots, as provided in Section 6, above.

13. Certificate as to Dues and Assessments. The Association shall, upon written request and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the dues and assessments on a specified Lot have been paid to the date of request, the amount of any delinquent sums, and the due date and amount of the next succeeding dues, assessment or installment thereof. The dues and assessment shall be and become a lien as of the date such amounts first become due and payable.

14. Effect of Nonpayment of Assessments-Remedies of the Association. Any installment of dues or assessment which is not paid when due shall be delinquent. Delinquent dues or assessment shall bear interest from the due date at the rate of sixteen percent (16%) per annum, compounded annually. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot or Lots, and pursue any other legal or equitable remedy. The Association shall be entitled to recover as a part of the action and shall be indemnified against the interest, costs and reasonable attorneys' fees incurred by the Association with respect to such action. No Owner may waive or otherwise escape liability for the charge and lien provided for herein by nonuse of the Common Area or abandonment of his Lot. The mortgagee of any Lot shall have the right to cure any delinquency of an Owner by payment of all sums due, together with interest, costs and fees. The Association shall assign to such mortgagee all of its rights with respect to such lien and right of foreclosure and such mortgagee may thereupon be subrogated to any rights of the Association.

15. Subordination of the Lien to Mortgagee. The lien of dues and assessments provided for herein shall be subordinate to the lien of any mortgage, contract or deed of trust given as collateral for a home improvement or purchase money loan. Sale or transfer of any Lot shall not affect or terminate the dues and assessment lien.

**ARTICLE III.
EASEMENTS**

1. A perpetual license and easement is hereby reserved in favor of and granted to Omaha Public Power District, Northwestern Bell Telephone Company, Metropolitan Utilities District, the City of Omaha, Nebraska, and Sanitary and Improvement District No. 86 of Sarpy County, Nebraska, their successors and assigns, to erect and operate, maintain, repair and renew buried or underground sewers, water and gas mains and cables, lines or conduits and other electric and telephone utility facilities for the carrying and transmission of electric current for light, heat and power and for all telephone and telegraph and message service over, through, under and upon an eight foot (8') wide strip of land adjoining the rear lines and a five foot (5') wide strip adjoining the side boundary lines of the Lots; this license is being granted for the use and benefit of all present and future owners of these Lots; provided, however, that the side Lot line easement is granted upon the specific condition that if such utility companies fail to construct such facilities along any of said side Lot lines within twenty-four (24) months of date hereof, or if any such facilities are constructed but are thereafter removed without replacement within sixty (60) days after their removal, then this sideline easement shall automatically terminate and become void as to such unused or abandoned easementways. No permanent buildings, trees, retaining walls or loose rock walls shall be placed in the easementways but same may be used for gardens, shrubs, landscaping and other purposes that do not then or later interfere with the aforementioned uses or rights granted herein. All such utility service lines from property line to dwelling shall be underground.

2. Other easements are provided for in the final plat of Willow Springs, which is filed in the Register of Deeds of Sarpy County, Nebraska (Book ____, Page ____).

**ARTICLE IV.
NOTICE OF POTENTIAL TELEPHONE FACILITIES CHARGE**

In the event that ninety percent (90%) of all Lots within Willow Springs Subdivision are not improved within five (5) years from the date that Northwestern Bell Telephone Company shall have completed its distribution system and filed notice of such completion ("Five Year Term") then such unimproved Lot shall be subject to a charge of Four Hundred Fifty and no/100 Dollars (\$450.00). A Lot shall be considered as unimproved if construction of a permanent structure has not commenced on a Lot. Construction shall be considered as having commenced if a footing inspection has been requested on the Lot in question by officials of the City or other appropriate governmental authority.

Should such charge be imposed by Northwestern Bell Telephone Company or its successors and remain unpaid, then such charge may draw interest at the rate of twelve percent (12%) per annum commencing after the expiration of sixty (60) days from the time all of the following events shall have occurred: (1) expiration of the Five Year Term, and (2) each owner of record is sent a written statement of charge for Four Hundred Fifty and no/100 Dollars (\$450.00) for each unimproved Lot.

**ARTICLE V.
GENERAL PROVISIONS**

1. Except for the authority and powers specifically granted to the Declarant, the Declarant or any owner of a Lot named herein shall have the right to enforce by a proceeding at law or in equity, all reservations, restrictions, conditions and covenants now or hereinafter imposed by the provisions of this Declaration either to prevent or restrain any violation or to recover damages or other dues of such violation. Failure by the Declarant or by any owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

2. The covenants and restrictions of this Declaration shall run with and bind the land in perpetuity. This Declaration may be amended by Declarant, or any person, firm, corporation, partnership, or entity designated in writing by Declarant, in any manner which it may determine in its full and absolute discretion for a period of

94-19980 H

eight (8) years from the date hereof. Thereafter this Declaration may be amended by an instrument signed by the owners of not less than seventy-five percent (75%) of the Lots covered by this Declaration.

3. By the written consent of the Declarant for a period of five (5) years from the date hereof, any or all of the covenants, conditions, restrictions, and easements as they apply to the Lots may be waived, modified, or amended for any Lot or Lots, in any manner, for such a time period, and on such conditions, if any, which the Declarant may determine in its full and absolute discretion after considering the benefits and detriments which the waiver, modification or amendment will have on the Willow Springs Subdivision and the Owner requesting the waiver. Declarant's decision on any requested waiver, modification or amendment shall be final and there shall be no right of appeal of Declarant's decision. No responsibility, liability or obligation shall be assumed by or imposed upon Declarant by virtue of the authority granted to Declarant in this Section, or as a result of any act or failure to act by Declarant with respect to any requested waiver, modification or amendment.

4. Declarant, or its successor or assign, may terminate its status as Declarant under this Declaration, at any time, by filing a Notice of Termination of Status as Declarant. Upon such filing, the Association may appoint itself or another entity, association or individual to serve as Declarant, and such appointee shall thereafter serve as Declarant with the same authority and powers as the original Declarant.

5. Invalidation of any covenant by judgment or court order shall in no way affect any of the other provisions hereof, which shall remain in full force and effect.

IN WITNESS WHEREOF, the Declarant has caused these presents to be executed this 7 day of September, 1994.
